

Justice, Power and Responsibility:

How Can Democracy Work for the Common Good?

How do we get communities, politics and business working together for the common good? What role should personal judgement and mutual responsibility play in commercial and social decision-making? How can we engage people at the grassroots with clear purpose for the long-term benefit of all? How can we help to encourage a fresh moral vision of a society that has the common good at its heart?

Come and explore the possibilities, while celebrating and giving thanks for the freedoms we enjoy.
